CGC Members Now Eligible to Apply for Esso Fleet Cards

Save 2.5 cents per litre on your fuel at Esso.

The Canadian GeoExchange Coalition (CGC) is proud to announce an important addition to its portfolio of services offered to members.

As a part of the CGC, your business is now eligible for a discount of 2.5 cents per litre on your fuel at Esso. The discount applies to all fuel types available at more than 2,000 Esso-branded stations in Canada.

In addition, the Esso Fleet Cards can also be used at all Exxon and Mobil stations in the United States. However, there are no discounts on purchases made in the United States.

The table below presents examples of potential savings for CGC members in good standing who apply for the programme.
